

# DGTEnergy Legal Terms

## Legal Structure

Operated by De Goat Capital in a crypto-friendly jurisdiction.  
DGTEnergy is a utility token; not equity, debt, or profit-sharing.  
Compliance aligned with international utility token frameworks.

## Disclaimers

This document is not investment advice.  
Participation is voluntary and subject to jurisdictional laws.  
KYC/AML may apply depending on region and round.

## Restrictions

Certain jurisdictions may prohibit participation.  
Users are responsible for verifying compliance.
